**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 4/30/13 I was assigned to the House 2A Rover position at the George Bailey Detention Facility (GBDF). At approximately 1025 hours, I was involved in a Use of Force with inmate Lozier, Harry BN 13786233.

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

I was conducting lunch count in House 2B Quad 204 when Deputy Kouma 7408 requested me to go down to Quad 104, via the radio. I entered Quad 104 and saw Deputy Kouma struggling to gain control of inmate Lozier on the ground. The other inmates in the quad were standing around Deputy Kouma so I instructed them all to return to their bunks and they complied. Lozier was lying face down on the ground and he refused to give control of his hands to Deputy Kouma. I instructed Lozier to move his hands out from underneath his chest and place them behind his back. Lozier refused and told me, "No, I won't do it."

Due to Lozier's unwillingness to comply with my commands, I gave one knee strike to his right side of the body and applied bodyweight pressure with my left knee to his right lower back to keep him from turning over and striking myself or other deputies. I used both of my hands to pull Lozier's right arm towards his lower back. I gained control of Lozier's right arm and gave him instructions to put his left arm behind his back and he complied. Deputy Yniguez 6929 secured handcuffs on Lozier's wrists.

I held Lozier's left bicep and assisted him to his feet. I escorted Lozier to the GBDF Medical area. At approximately 1030 hours, Lozier was examined by Nurse [REDACTED] for injuries and he was cleared to return to housing. I escorted Lozier to processing cell 101 pending an open cell for lockdown. Deputy Yniguez removed the handcuffs from Lozier's wrists and exited the cell. I secured the door and I had no further contact with inmate Lozier.

**REPORT NARRATIVE****ORIGIN:**

On 04-30-2014, at approximately 1025 hours, I was assigned to the House 2B Rover Deputy position at the George Bailey Detention Facility (GBDF). I was counting the lunch meals for House 2B when Deputy Kouma #7408, who was conducting lunch count in Quad #104, requested assistance. I arrived at Quad #104 and saw Deputy Kouma struggling on the ground to gain control of Inmate Harry Lozier (BN 13786233).

**Deputy's Observation and Actions:**

As I entered Quad #104, I saw Deputy Kouma struggling on the ground with an inmate, later identified as Harry Lozier. Deputy Hoodenpyle #4458 and I arrived to assist Deputy Kouma at the same moment. As I saw both Deputy Kouma and Deputy Hoodenpyle attempting to gain control over Lozier, I positioned myself directly in front of Lozier's upper torso as his body was facing the ground. I tried to get hold of Lozier's right arm as both his hands were beneath him and he was attempting to push off of the ground. Lozier was uncooperative with the commands being given and was actively resisting my attempts to gain hold of his right arm. I delivered three punches with my left hand to Lozier's lower right abdomen as I instructed him to relax his right arm. I did this in order to gain Lozier's compliance. I stood up several times during the incident since there were other inmates in the quad and I wanted to check our surroundings. I saw Deputy Hoodenpyle get control of Lozier's right arm and I immediately placed my handcuffs on him in order to secure both his hands. Deputy Kouma and I assisted Lozier to his feet and escorted him to GBDF Medical.

**REPORT NARRATIVE****ORIGIN:**

On 04/30/2014, I was assigned as the House 2C Deputy at the George Bailey Detention Facility (GBDF). At approximately 1025 hours, I was involved in a use of force with Inmate Lozier, Harry (BN13786233).

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

I was conducting hard count in House 2B Quad 104. When I arrived at inmate Lozier's rack, I asked him for his name and to show me his wristband. Lozier said, "You know who the fuck I am." I informed Lozier that I did not know who he was and I needed to see his wristband. Lozier remained lying on his back in the middle bunk and refused to show me his wristband. I used my left hand and attempted to twist Lozier's wristband around so I could verify his identity. Lozier tensed up his arm and began to pull his wrist away from me.

In order to gain control of Lozier and prevent him from possibly hitting me, I grabbed Lozier's left wrist with my left hand. I told inmate Lozier to get off his rack; he refused and continued to try and pull his arm away. Lozier used his right hand to grab the top rack in order to prevent me from removing him from his rack. I used my right arm to place Lozier in a headlock. This allowed me to pull Lozier from his rack and take him to the ground.

Lozier landed on his back and continued to pull away and try to twist out of my grips. I told inmate Lozier to roll over onto his stomach and put his hands behind his back. Lozier did not comply with my instructions. I released my headlock on Lozier and used both my hands on Lozier's left hand in an attempt to roll him over onto his stomach, so I could secure him in handcuffs. Lozier stuck his right arm out to his side and resisted being rolled over onto his stomach. I delivered one hammer fist strike to Lozier's left shoulder and told him to "Stop resisting." Lozier still would not follow my instructions. While maintaining control of

Lozier's left arm, I managed to roll Lozier onto his stomach. I called over my handheld radio on the House 2 frequency, for Deputy Hoodenpyle to come assist with securing Lozier.

Deputies Yniguez #6929, Hoodenpyle #4458 and Sergeant Froistad #3632 arrived at the scene. Lozier continued to resist and was still trying to escape my control. Lozier was lying down on his stomach; however Lozier kept his right arm underneath his body and would not put it behind his back. Lozier began to use his right hand in an attempt to push himself up. I twisted Lozier's left hand behind his back and Deputy Yniguez took control of it. I used both of my hands and body weight to apply downward pressure in an attempt to control Lozier. Deputy Hoodenpyle was able to gain control of Lozier's right hand and placed it behind his back. Deputy Yniguez secured both of Lozier's hands in handcuffs. Deputies Yniguez and Hoodenpyle assisted Lozier to his feet and escorted him out of the module.

Deputies Yniguez and Hoodenpyle escorted Lozier to the GBDF medical dispensary where he was evaluated by Nurse [REDACTED] and the on duty doctor. Lozier was treated for a scrape on his right elbow and swelling to his face. Lozier received a bandage for his right elbow and was cleared to return to mainline housing. I took three digital photographs of Lozier's injuries.

Deputies Yniguez, Hoodenpyle and I escorted Lozier to Processing holding cell #101.

At approximately 1650 hours, Lozier was complaining of back pain and was escorted back to the GBDF medical dispensary by Deputy Hoodenpyle. Lozier was transported to the UCSD medical hospital via ambulance for further evaluation. After being evaluated at UCSD it was determined Lozier had a broken lower vertebrae and a punctured lung.

## INJURIES:

Lozier sustained swelling to his face, a scrape to his right elbow, a broken lower vertebrae and a punctured lung.
